

## Trading Floor Field Trip

**MONDAY, November 2, 2009 4:30 pm – 6:00 pm**

- Meet at Powerex Offices at 1400 – 666 Burrard St., Vancouver, B.C.
- Welcome by Powerex President and CEO, Teresa Conway
- Presentation on “How Power Trades” with question period
- 1 hour tour of the Powerex Trading Floor
- Ends by 6:00 pm – just before the Awards Dinner (at Hyatt across the street)

Powerex is known for being a highly reliable trade partner, buying and supplying wholesale power, natural gas, ancillary services, financial energy products and, more recently, environmental products, across North America.

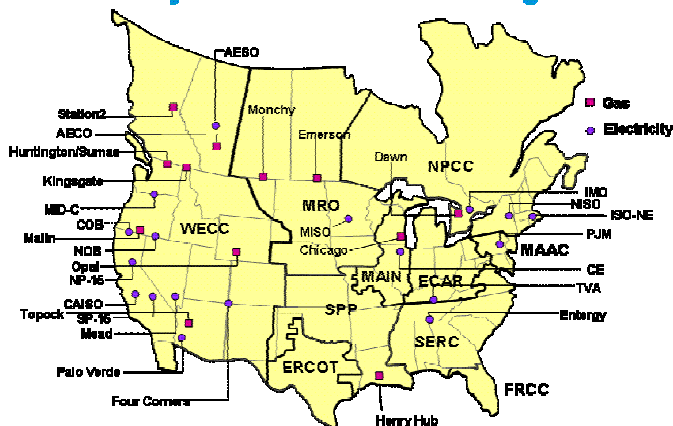

As a wholly owned subsidiary of BC Hydro -- Canada's third largest electric utility -- Powerex is backed by the security, flexibility and reliability of BC Hydro's integrated hydroelectric system as well as the strength of BC Hydro's S&P AAA credit rating.

With access to a wide variety of energy supplies across North America, plus significant transmission and gas transportation positions, when its customers need energy, Powerex delivers.

For more info visit [www.powerex.com](http://www.powerex.com).

### Electricity & Natural Gas Trading Hubs

#### COST:

There is no cost to join the tour. However this tour will be limited to those attending the conference and to those who register in advance.
